Dedication . . .

The Bronco Staff of 1941 dedicates this Bronco to one of the most loyal and faithful members of the Denton Senior High faculty; to one who with untiring effort has entered into high school activities with the true spirit; to one who has won the respect and admiration of the entire student body. To Miss Genelia E. Lewis we dedicate the 1941 Bronco.

. . . Board of Education

Few of us realize just how much time and effort these men who constitute our Board of Education give to developing our public school system. Each man by his willingness to serve in this capacity indicates his interest in the boys and girls not only of our town but also of the nation as a whole. These men, who are busy with their own affairs, take time to work in our behalf; and we in turn should make the most of the opportunities which they have made possible for us. If each of us would do this, they would feel amply repaid for their services.

Left to Right—Guy Turner, Deats Headlee, Fred Minor, C. Y. Garrison, W. S. Long, John Shrader.

R. C. Patterson

Mr. Patterson

Mr. R. C. Patterson has filled well his position as superintendent of the Denton Public Schools. His good-fellowship, tact, and understanding manner are characteristics which have won the respect of the High School students. There is no problem too great or too small for his attention. Under his capable leadership the schools are continually growing and developing. Mr. Patterson is a favorite with everyone and we are indeed fortunate in having so capable a superintendent.

Mr. Calhoun

Mr. A. O. Calhoun, generally known as "Prof", has been more than just a principal to D.H.S. during his years of service. He has been a friend to all the boys and girls that have ever gone to this high school, and has made each one of them feel there is a place for him in the world and he is the only one who can fill it. His tact, intelligence, and ability to understand make him perfect for any task he may choose to undertake. Although "Prof" is a busy man, he is always ready to listen to our troubles, and we feel our school has profited by having such a worthy principal.

It has been our pleasure this year to edit the thirty-sixth Bronco. Since the first book was issued, there have been improvements made each year. This year we have striven to give you the best Bronco yet, not only for our own satisfaction, but also for yours so that in years to come it may be a better reminder of "your high school days."

The Staff wishes to thank the student body for their cooperation with us in producing this book and to our former business manager, Tommy Laney, we want to express our appreciation for giving so generously of his time in taking many of the pictures in this book.

It is our deepest wish that all of you think this book a success. If, in the future, this Bronco brings to you pleasant memories, our efforts shall not have been in vain.

Second Row—Twyman Hill, Dorothy Ann Braly, Patricia Fowler, John Brooks, James Ware.
Third Row—Mary Frances Clark, Lloyd Skiles, Miss Brown, Raymond Stockard, Mary Margaret Ray.

The *Horseshoe,* heretofore known as the Bronconian, staff is divided into two main divisions: the editorial department and the business staff. The editorial department is responsible for all accounts of student activities as related in each issue; while the business staff finances The *Horseshoe* and makes possible its publication.

Pictured are the students whose efforts and ability produced the eight issues during the fall term. Those published in the spring semester had the benefit of the additional help of the following students: Lucile Cason, Virginia Cole, Kay Collins, Billie Jean Davis, Jack Hadsell, Raymond Haney, Mary Lee Lockhart, Jack Malone, Mary Louise Moore, Billie Marie Watson, Dorothy Westcourt, and Willie Dee Woods.

The Future Homemakers Club, composed of one hundred seventy-five members, is organized on a class basis, and representatives from these groups compose the council. The Clubs are affiliated with the state organization which helps determine the policies and objectives of the individual clubs. Their major objectives for the year were, to develop genuine teamwork, to provide opportunity for club members to carry responsibility, to provide business and professional experience, to build a chapter library, and to learn to cooperate with other organizations.

Some of the activities of the Future Homemakers for this year have been to earn money for three new books and four magazine subscriptions, to make twenty-four sewing kits for soldiers, and knit for British relief.

The Dramatics Club of D. H. S. is troup three hundred sixty-three of the National Thespian Honor Society for High Schools. The aim of this society is to create a spirit of active and intelligent interest in dramatics among boys and girls. To be eligible for membership, a student must have played in a major role of one long play, or two major roles in one-act plays and have done work of such quality as to be approved by the sponsor.

The Club has given three three-act plays this year. They are *The Red-Headed Stepchild, Marry Before Midnight,* and *The Eyes of Love.* The four one-act plays which were given by the dramatic students this year are *Just What They Wanted, Grandfather's Clock, Saved by the Bell,* and the contest play entitled *Breadwinner's Nightmare,* written by William H. Gonder especially for the Interscholastic League contest.

The Baptist High School Union is composed of every Baptist student in Denton High School. Each year the Intermediate Departments of the First Baptist Church elect officers for the purpose of planning activities for the development of a deeper spiritual life for the Baptist students of Denton High School.

The Baptist High School Union sponsors the Morning Watch at eight-thirty each morning for all interested students. These officers form a council. Only those who are the most consecrated Christians are eligible to be on the council.

CALENDAR

September

11 Oh dear, another year.

12 More books and schedules.

13 People still standing in line for books; teachers pulling their hair.

16 First real day of school. How we hated to get up in the morning.

21 First football game this year. Denton lost to Hillsboro. Maybe better luck next time.

25 Could these horrible looking creatures running around our high school be Iwakta Pledges?

27 Yippy, we won. Denton beat I. O. O. F.

October

4 Tough luck; played Bonham. Denton was beat at Bonham. The Iwakta Club honored Pledges with the annual Iwakta Cabin Party.

7 The Pep Club girls must like doughnuts; they're selling them again.

11 Went to Gainesville. They beat us.

18 After the Pep Club and Band marched around the square we played Greenville and lost. By the way, it was our first Conference game.

19 The Spanish Club sponsored a dance in the Old Gym. Funny, I didn't see any Spaniards there.

23 The Iwakta Club gave their annual tea today for all the students in Denton High School for the first time.

25 We beat Arlington when we went there tonight. Isn't it swell?

26 All these Latins up here at high school had a dance in the Old Gym.

30 The Pep Club had a picnic out at the lake. More good food.

31 Why were so many of our scholars at the midnight show? Why, of course, it's Hallowe'en.

November

1 Mr. Gonder's second period dramatics class gave a play entitled "The Red-Haired Step-Child". It was quite a success.

2 Oh happy day! It's here at last. Every Daisy Mae caught her Li'l Abner weeks ago and has been waiting patiently for the occasion to arrive. Yep, as any fool can plainly see, it's Sadie Hawkins Day, and tonight's the night for the Sadie Hawkins Day Dance.

6 We had club pictures made today. Everyone says they'll buy a Bronco. Yippy!

8 Maybe our big bonfire was the reason we beat Sulphur Springs tonight.

12 Everyone made their choice for Favorites. We will have the run off some time next week.

13 I've never seen so many signs in all my life. Oh, our poor janitors.

14 SIGNS! SIGNS! SIGNS! I'm going crazy!

15 Assembly today for Favorites. Now I *don't* know whom to vote for.

16 The Debate Class sponsored a dance in the Old Gym.

21 We played our Thanksgiving Day game at McKinney. It had a marvelous story book ending. Oh yes, we won.

December

4 Some of our dear little students didn't come back to school today. Could they have been expelled? No doubt – Sue Frances Helen

5 We had our first basketball game of the year tonight. Denton beat Springtown. Boy, what a start!

6 The Pep Club entertained the football boys with the annual Bootball Banquet. A good time was enjoyed by all.

11 Duck your heads, students; here come report cards.

13 This Friday 13th was a bad day for Woodrow Wilson. We beat them in our basketball game with them tonight.

15 The Spanish Club entertained themselves with a dinner and dance tonight. Oh, how I wish I'd taken Spanish like my mother told me to.

18. Our basketball team went to Waco. We lost.

19 Who cares what happened at Waco now? We beat Nocona by a great big score.

20 Christmas Holidays at last. We beat North Dallas in basketball.

25 Merry Christmas. Was Santa Claus good to you?

30 Back to school. Where did all those holidays go? Surely it isn't January 2nd already.

31 This is really a novel idea, getting lessons on New Year's Eve. Yes, it's novel, but not so good.

January

1 Happy New Year. We got a half holiday today. No, don't worry; it was only because everyone was out with the flu.

3 We played Highland Park in basketball here tonight. Much to our regret, they won.

10 We played basketball with Arlington. We won.

16 If you hear a knocking don't run to the door; it's only your knees. We have finals tomorrow.

17 What's his name fiddled while Rome burned; 2x2=4 . . . I guess; Cæsar was . . . Cæsar was . . . oh gosh, why didn't I study harder?

18 The brilliant students of the Honor Society gave a dance in the Old Gym. My goodness, I guess these smart people just don't have to study for finals.

20 We still have our heads buried in our books. Will these finals never end?

21 Bring some water quick; I'm going to faint. We actually had a holiday today; but we couldn't enjoy it for worrying about our grades.

22 Report cards. Oh well, from the looks of it there will be a lot of my friends in summer school too. We also lost a basketball game to Waco tonight.

24 Sulphur Springs was beat in our basketball game with them tonight.

28 Everyone came to the basketball game tonight. Naturally Denton beat Arlington by a long score.

31 McAlester (Okla.) arrived today for our games with them. We played the first game tonight. We beat!

February

1 We did it again! McAlister was again beaten by Denton in basketball. Ha, ha, ha!

2 Doggon, I missed him. That pesty little Ground Hog got away from me again this year.

3 Monday, nuts! Another whole week of school ahead.

6 Election for Sweetheart Contest sponsored by The Horseshoe. I wish I were somebody's sweetheart so I'd get elected.

12 Basketball game with Pilot Point, and what do you know? We won.

13 Bill Russell and Rosalys Ligon were chosen the Sweethearts of D. H. S. Could that he the reason a certain little blond jitterbug is looking so angry lately?
14 Valentine's Day, how sweet! We beat Sanger in basketball.
15 We beat Roanoke in basketball. Say, we're good!
21 Era was beaten by Denton. I guess we showed them!
22 We beat Burleson. Oh boy!
24 Slidell, phooey! We beat them coming and going.
28 Riverside beat us this time but I might as well leave my bag packed because we're sure to go to Austin next year.

March

5 Why are all of the girls looking so blue? Why, of course, spring football practice started today.
11 I'll have to start practicing up on my forgery again; report cards come out tomorrow.
12 That little man with the talking fiddle came to D. H. S. today and played for us on assembly. Everyone was glad of the chance to see him. Yes, you guessed it; it was Rubinoff.
14 Four members of our faculty by the names of Gross, McAlister, Slack, and Hildebrand sang for us on assembly today and their art is truly appreciated by the student body. The Senior Picnic and Dance at the Country Club tonight was quite a success although three-fourths of those present were Sophomores and Juniors.
20 The Iwakta Club honored the basketball boys with the Basketball Banquet tonight. It was grand, but all the boys were going to all extremes to meet the "blues singer". Just ask Ruth Long; she knows.
21 First day of Spring. Tra la. Not only that but we got a holiday today. Yes, it's true; I didn't believe it either at first, but nevertheless it's true.
22 The Iwakta Club sponsored a dance tonight. It was swell.

April

4 The Honor Society gave its banquet tonight. Oh, how I wish I were smart. The District Meet started today.
5 District Meet still going on.
7 The last fragments of the Bronco, wrapping paper and all, went to the printers today. Now to collect for the ads.
16 Mr. Gonder presented "The Eyes of Love" tonight. Everyone said it was great.
19 Today marks the beginning of the Regional Meet.

May

2 The Broncos come out today. Gosh, I hope everyone likes them.
9 They are giving the Senior Class Play tonight. Let's hope it's good enough to make up for the one they didn't have last year.
16 I've never seen so many girls with their hair rolled up. Could it be because of the Junior-Senior Prom tonight.
18 Baccalaureate Sermon was held at the Methodist Church. What were all our Seniors doing in those gray nightgowns?
23 Graduation Exercises tonight. Next year won't be the same without our loyal Seniors.
26 School closes for another three months. Let's hope it will never be indefinitely closed and that the flag on top of the building shall wave forever.

This was Willie Walls' first year as head coach of the Broncos, and with the able assistance of Fred Slack he turned out a team that one could be proud of. Coach Walls came to us directly from the New York Giants, one of the best professional teams in the country. Before going to the Giants he had played end at Texas Christian University for three years, and he was a standout all three of these years. Mr. Walls has thus had a wide background from which to gather the dazzling pass plays and the tricky running plays with which he equipped the Broncos. Truly, although it is his first year of coaching, Coach Walls has gained the respect and admiration of all of the people with whom he has become acquainted.

Too much can not be said of the fine way in which Mr. Slack trained his line candidates into a stout, defensive unit. He also carried on with Mr. Walls' duties when the latter was not present on the field.

. . . and a review of the season

The Broncos of 1940, although handicapped with injuries throughout the season, had a truly successful season. The Broncos finished in a tie with Sulphur Springs for second place in the District 6-AA race. This was the first time in many years that the Broncos had won as many as three district games, and the first time in an even greater number of years that they had downed the Sulphur Springs Wildcats.

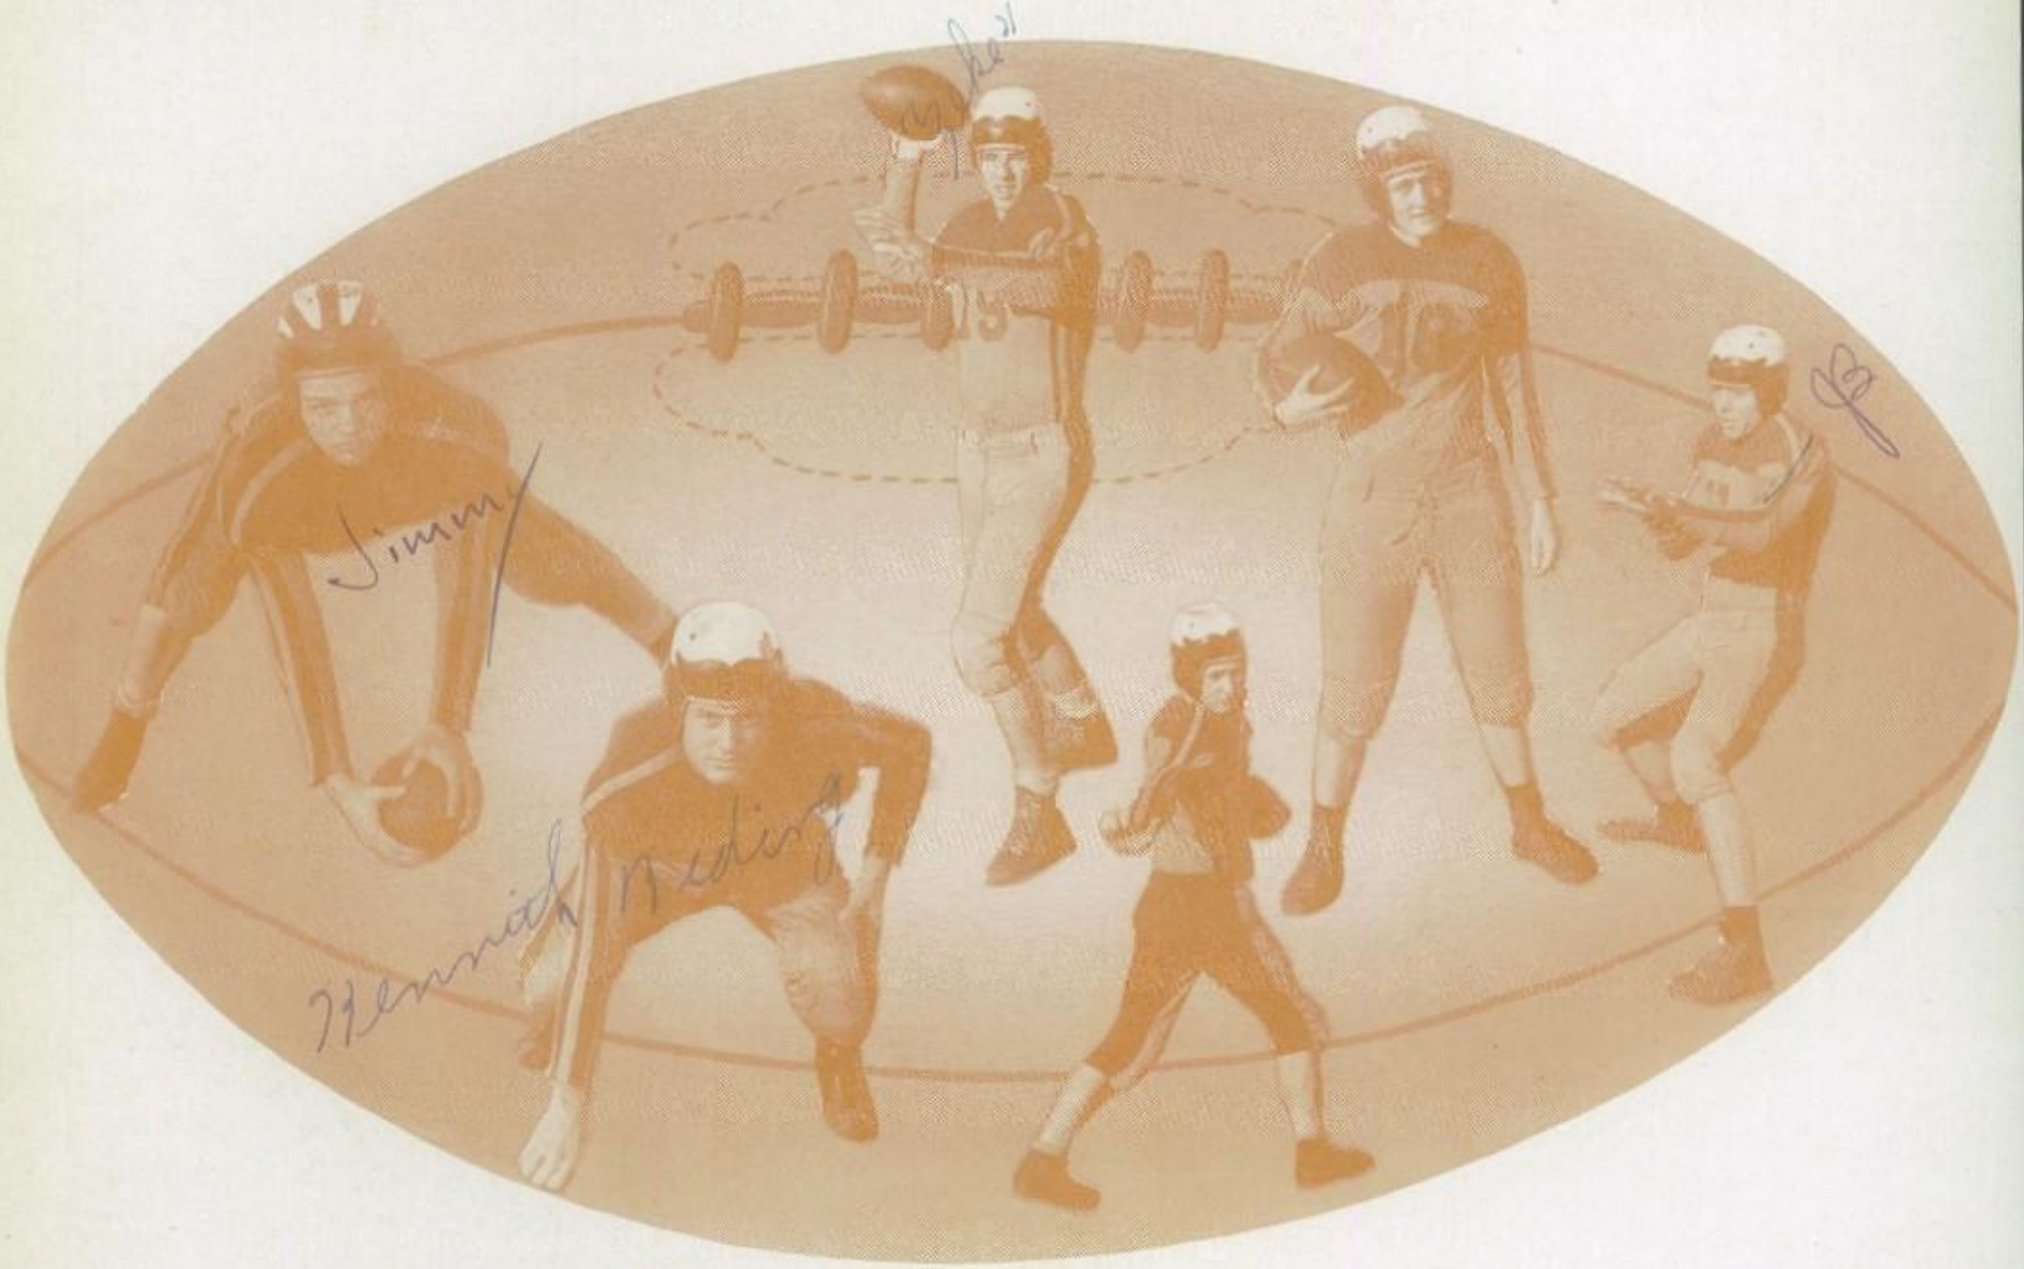
Perhaps the most thrilling game of the 1940 season was the Broncos' victory over the Wildcats. In a battle which took place in the mud and rain the Broncos, led by the aerial thrusts of "Zeke" Martin, slid and slithered to a 13-12 victory over their rivals from the eastern part of the state.

Managers—Edwards and Nelms

Homer Edwards and Bill Nelms, the efficient student managers, were the unsung heroes of the football team. Always working hard and industriously at difficult tasks assigned them by either the players or the coaches neither uttered a word in defiance of these orders but merely bowed their heads and went to work with undiminishing energy. The Broncos were truly lucky to have such a fine, capable pair of stalwart managers.

The Bronco's board of strategy. Coach Slack, Captain Boyer, Co-Captain Martin, and Coach Walls.

Football . . . 1940



JIMMY MCALISTER—*Center*

"Smut" was the backbone of the Bronco defense. Hard and low charging on the defense he was a hard man to stop. On the offense "Smut" seldom made a bad pass-back, and he could be counted on to block out his man. "Smut" will be a valuable man next year.

KEN REDDING—*Tackle*

Ken was probably the most consistent man on the team. Game in and game out he turned in a commendable brand of ball. Because of this he was voted the most valuable line man on the team. We lose Ken by graduation.

CECIL MARTIN—*Back—Co-Captain*

"Zeke" was the spearhead of the Bronco attack. He was one of the best passers in the entire state, and his fine quick kicking pulled the Broncos out of many a hole. "Zeke" was also a low, hard runner and an excellent signal caller. He will be back next year. "Zeke" also received the honor of being the most valuable back.

MARTIN FERRICK—*Back*

Martin was one of the best pass receivers on the team. Reverses were a specialty of Martin's. Many times he took the ball on a hand off and skirted the enemy's end for many yards. We will miss Martin next year.

MORRIS BOYER—*Back—Captain*

Morris was a standout in the Bronco backfield. We lost Morris for the last two games of the season and this weakened us both on offense and defense considerably. Morris could pass, run with the ball, and punt. Morris will be a hard man to replace next year.

JACK BOORMAN—*End*

Jack was as rough and rugged an end as ever played for D. H. S. He was a terror on the defense, literally plowing the enemy blockers under. He was a sure fingered pass receiver and he was consistently clearing a path for our ball carriers. He is back in '41.

J. L. Davidson—*Guard*

Breaking into the starting lineup in the third game of the season, J. L. lived up to all that was expected of him. J. L. was a good blocker and a good defensive man. Although this was his first year as a Bronco, J. L.'s loss will be hard to replace.

Tom Spalding—*Guard*

Tom was a hard hitting guard who never quit. He had the knack of diagnosing enemy plays and stopping them before they got started. He was also an expert blocker. He has played his last season for the Broncos.

Phil Miller—*Tackle*

Phil was the largest man on the team, and all of the men who opposed him found out that he used every ounce of his weight. He was an unusually hard man to move and a harder man to keep entirely out of the play. Phil has played his last year for D. H. S.

Bob Blair—*Guard*

Bob was a scrapping little guard who did not know the meaning of the word quit. Alert, aggressive, and willing to mix it with the best of them Bob had the respect of all of his opponents. Bob will be back for the Purple and Gold in '41.

Nat Noles—*Guard*

Nat was another of the hustling guards who stood out in the Bronco lineup. Built like an ideal guard, Nat was one of the best blockers on the entire team. He really wanted to play the game, and he proved that he could. We will miss him next year.

France Enlow—*End*

France was a big, brawny boy who mixed it up with the best of them. He was really rough man on the defense and he never quit trying. Always ready and willing France was a hard man to beat. France will be in the lineup in '41.

Football . . . 1940

Football . . . 1940

CLAXTON RAYZOR—*End*

This was Claxton's first year on the varsity and he turned in commendable performances in all of the games he played in. He was not particularly talented in any one phase of the game, but he was steady and reliable. He will be back next year.

ANCIL BAKER—*Tackle*

Ancil was a big boy who loved to play the game hard and fast. He was a hard man to move on the defense, and he made many nice blocks during the season. Ancil put his whole heart in all of his doings and thus made a valuable man, whom we hate to lose.

KENNETH BAKER—*Back*

Kenneth was no kin to Ancil, but he played the same type of ball as Ancil. Kenneth was a reliable and versatile back. He could pass; he could run and block; and he could tackle with the best of them. Kenneth will not be in uniform in '41.

LEONARD CARPENTER—*Tackle*

Leonard was a starter throughout the season and always turned in an acceptable game. Big and fast, Leonard was a real ball player. He was really rough on the defense and an excellent man when it came to blocking the enemy end. We shall miss Leonard.

BILL CROMER—*Back*

Bill was a tall, rangy boy from the country who was playing his first year for the Broncos. His specialty was catching passes and at this he had no superior. He was unusually fast and once he tucked the ball under his arm he was hard to stop. He will be back next year.

. . . With the Basketeers

The coach of the Purple and Gold basketeers is known throughout the state. Mr. McAlister, Mr. "MAC" to all of the students at school, is continually turning out fine teams that are noted for their polished performances and the fight that they display. Likeable, easy to get along with, and, in addition to being a coach, an excellent teacher, Mr. "Mac" put a team on the hardwoods this year that breezed through to County and District Titles for the second straight year. If this team had hit the mesh as they were capable of doing in the Regional Meet they would have gone a long way toward winning the State title at Austin.

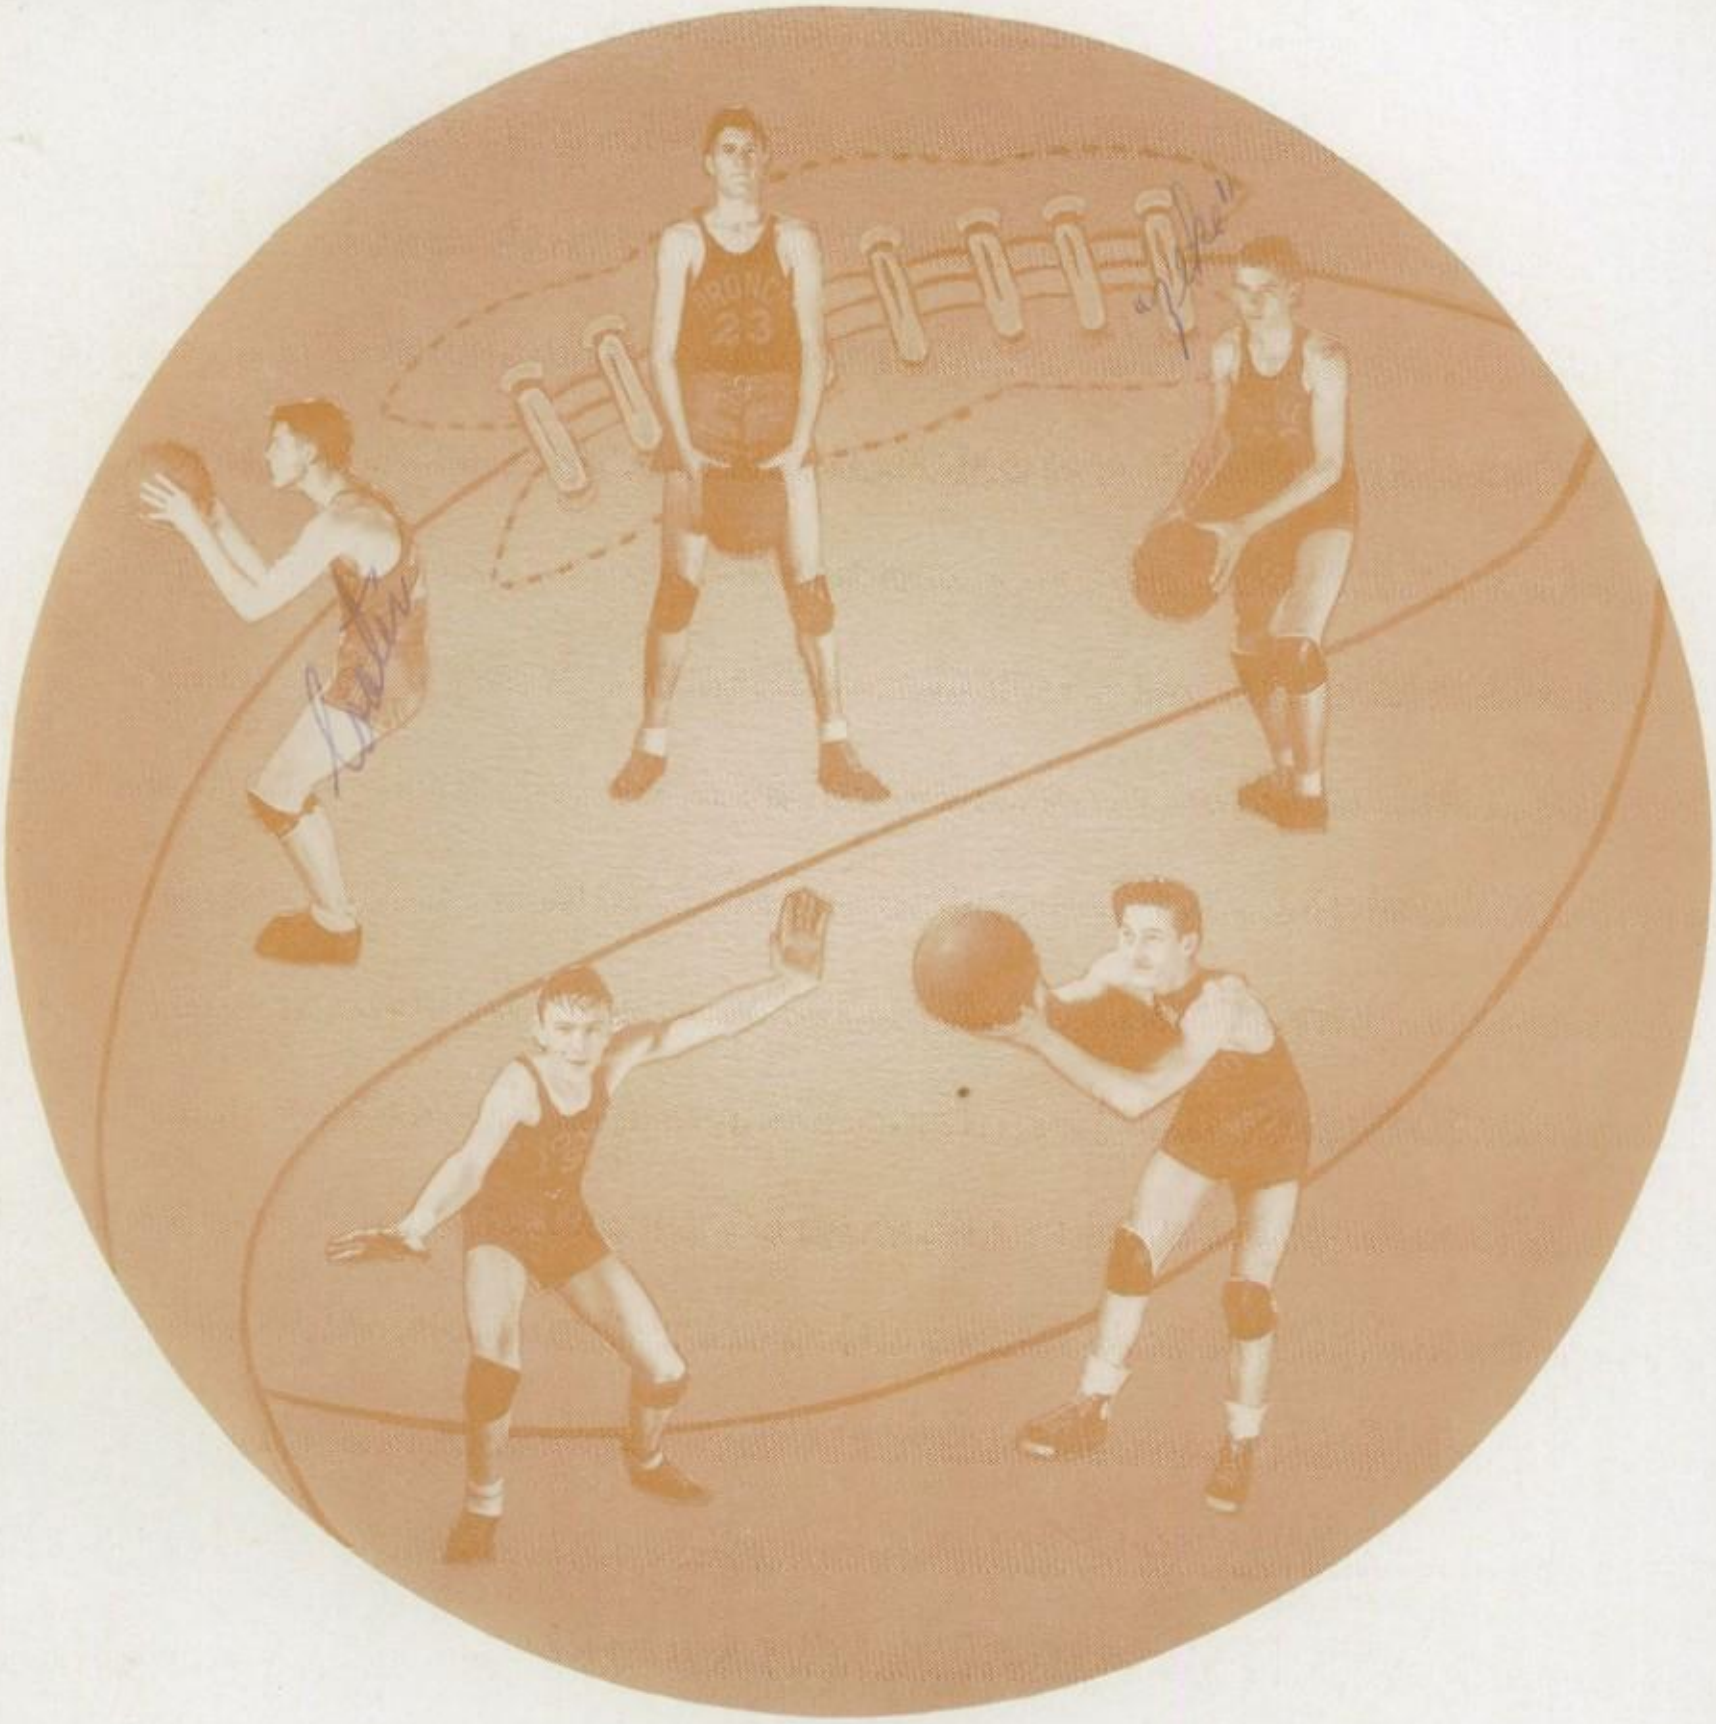
This was another very successful season for the Broncos and Mr. "Mac", and we are looking forward to the coming season with expectations of equal success.

Jack was a hard working manager who was small in stature but big in his willingness to help the team along.

Basketball . . . 1941



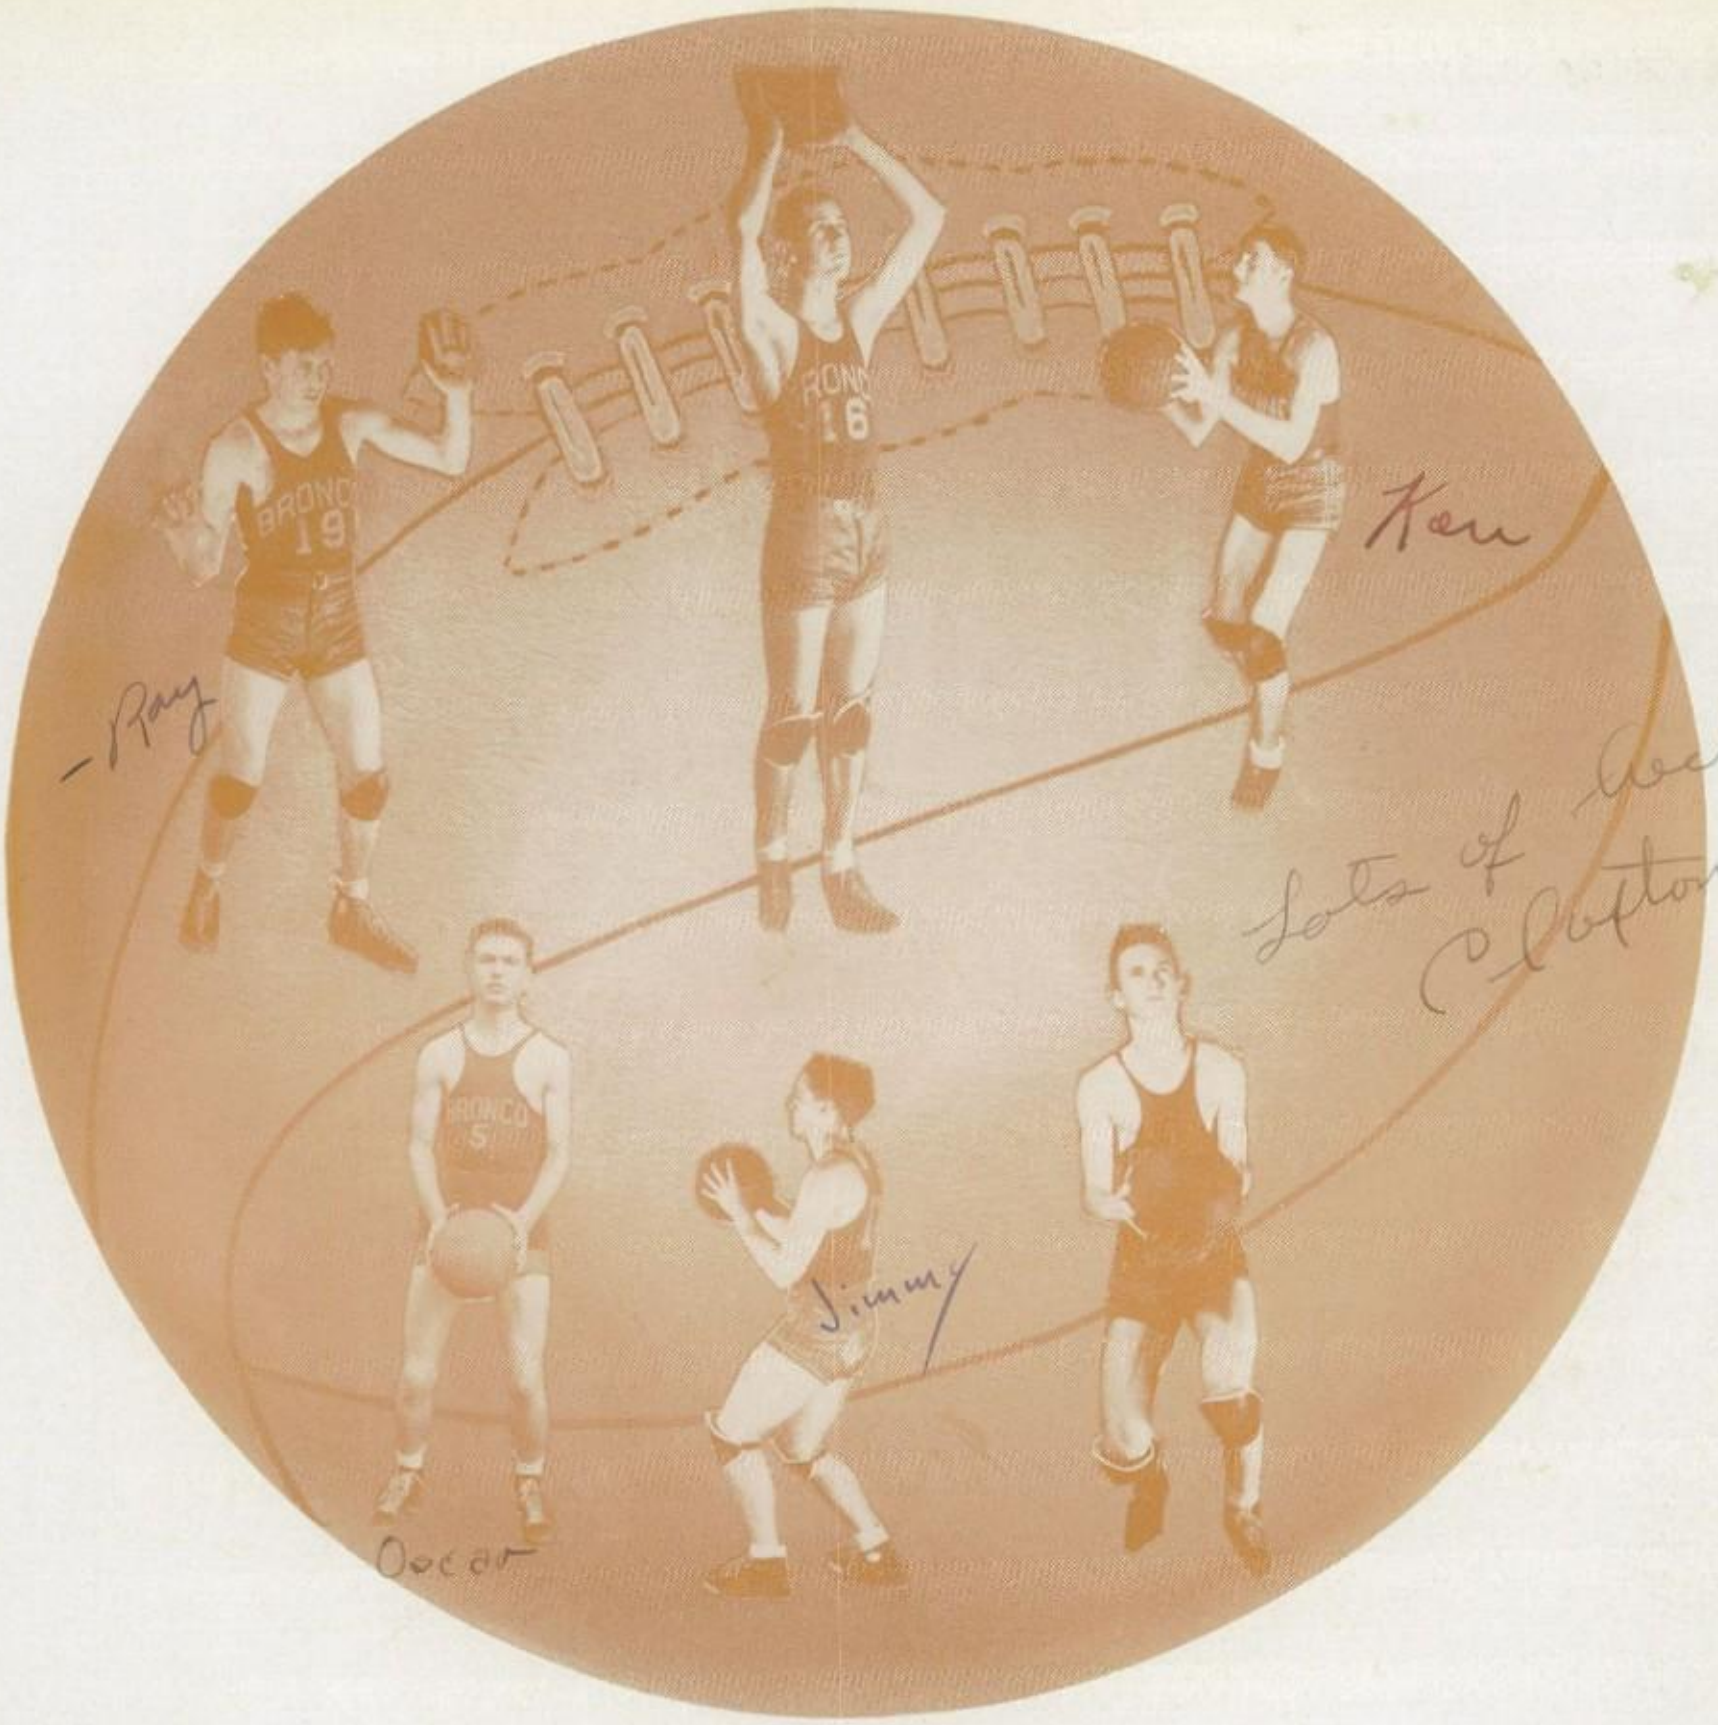
C. E. Hastings—*Captain—All-District 10 forward*
"Cooter" was one of the leading men in the Bronco attack throughout the season. An excellent faker, "Cooter" slipped under the basket for many shots that dropped through the net. "Cooter" had an excellent season while playing his last year for the Broncos.

Cecil Martin—*All-District 10 guard*
This was "Zeke's" second straight year to be chosen an all district player, and next year he has a chance to make it three straight. "Zeke" was the best all around ballplayer in the Bronco lineup. Skilled in the art of ballhawking and a potent point maker, he should reach his peak in the coming season.

Ken Kearns—*All-District 10 center*
For the second straight year Ken was the leading point maker for the Purple and Gold, and for the second straight year he was elected an all district performer. Ken could hit the basket as well with his left hand as he could with his right, and he was an excellent defensive man. He has played his last year for the Broncos.

John Chitwood—*All-Regional 3 guard*
Johnny was the back-up artist of the team. Forcing his way into the starting lineup in the middle of the season, Johnny lived up to the highest expectations, and because of his outstanding performance in the regional meet, he was given a place on the all-regional team. This was Johnny's first and last year for the Broncos.

Morris Boyer
Morris was hampered by illness throughout the season; but when he was in the lineup for the Broncos, he was high point man his share of the time. Gifted with an excellent pivot shot that was very hard to guard, Morris carried the main part of the scoring burden for the Broncos throughout the county meet. We shall miss him next year.



RAY GRIFFITH

Ray was playing his first year for the Broncos and turned in an excellent job in every way. Having an excellent left hand, Ray hit many shots that seemed impossible to everyone but Ray. Ray should make a standout performer for D. H. S. in the coming year.

BILL RUSSELL

Bill has the build of a real basketball player, tall and rangy, he could outjump anyone his own height and he could score with either hand. When Bill scored he scored his points in rapid succession. He is being counted on as an important part of the Bronco machine in '42.

KENNETH BAKER

This was Kenneth's last year for the Broncos and throughout the season he was a very reliable substitute. Ken could hit the basket from almost impossible angles and he was one of the steadiest defensive men on the team. With the loss of Kenneth the Purple and Gold lose a good man.

OSCAR STEWART

Oscar was a big, rugged boy, who lived to play the game hard and fast. Because of his height and hefty build Oscar could handle the territory under the back board very well when he was on the defense. Just now getting over his clumsiness Oscar should be an excellent ball player next year.

JIMMY MCALISTER

"Smut" was the shortest man on the squad but he was a real hustler and an excellent ball handler. He sacrificed many of his shots and fed the ball to his team mates who had worked into the open. With the experience he has gained in the past year "Smut" should really step in the coming year.

CLAXTON RAYZOR

This was Claxton's first year for the Purple and Gold and he was a hard working boy who liked to play the game of basketball. Because of his greeness he missed many of the shots that he should have made. With a better eye for the basket in the coming year he should help the Broncos along.

Basketball . . . 1940

Track . . .

Perhaps the outstanding performer on the track squad is fleet Bill Hunt, who was high point man for Denton in the County Meet, taking first in the 100 yard and 440 yard dashes and running on the 440 yard relay for a total of 11¼ points. Having a fast takeoff and a blazing stretch kick, Bill could run with the best of them. We expect big things from Bill at Ft. Worth. Also efficient at taking points in the dashes are Heflin, Boyer, Taylor, Bennett, and Phillips.

Running the distances this year for Denton were lanky Bill Russell, who won the 880 yard run with little effort, and Bill Brockett in the mile. Both have long, effortless strides that carry them over the ground with amazing rapidity. If the weather is suitable to work out in and if they continue to improve as they should, we should hear from these boys either this year or next as they both have another year of eligibility.

The broad jump is taken care of by Boyer, who also pole vaults, and Bennett, and Taylor. Boyer is particularly outstanding at broad jumping as he has been continually jumping past twenty feet in workouts and in competition.

The shot put event in the County Meet was won by big France Enlow, rough football tackle, who also took third place in the discus. Ken Redding, another footballer, took second place in shot put, thus helping the Broncos on their way to the County Title.

The mile relay team also won their event by forfeit and the 440 yard relay team also qualified for the District meet.

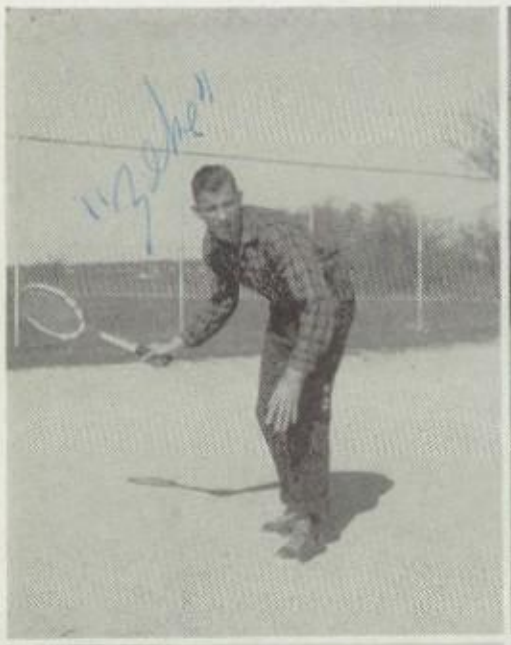
Truly things are looking up for the Broncos in the track world.

Due to the efforts of Mr. Fred Slack, track at D.H.S. is now one of our leading sports. Gifted with the knack of developing raw recruits into polished performers, Mr. Slack has produced several outstanding performers on the cinder path and in the field events in the few years that he has been track coach at D.H.S. During these few years the Broncos have consistently bested their rivals from Lewisville for the County Track and Field title. This year was no exception as they again won, this time by a margin of fifteen points. With the District Meet two weeks off Mr. Slack should have sufficient time to get his charges into splendid shape. If all of the squad shapes up as they should, the Broncos from Denton High should make a creditable showing at Ft. Worth.

Coach Slack

Sargent, Phillips, Taylor, Hunt, Russell, Harper, Bennett, Brockett, Williams, Coach Slack.

Tennis . . .



Cecil Martin—*Boys Singles*

"Zeke" Martin continued to make his bid for the title of the most versatile athlete in school by winning the County Class A singles title. With a powerful serve and an excellent backhand, "Zeke" has all the requisites to make as outstanding a tennis player as he is a performer in football and basketball. We are expecting big things of "Zeke" in the coming District Meet and even more of him next year.

G. B. McClendon—*Girls Singles*

G. B. has improved steadily during her stay at D. H. S. until she has become a top-notch racquet wielder. Having a full bag of shots which is necessary in order to play good tennis, G. B. usually won her specialty, often from much more experienced players. With as much improvement in the next two weeks as she has shown in the past, G. B. should click in the District Meet.

Joe Barns and Bill Penry
Boys Doubles

Bill and Joe are virtual newcomers at the game of tennis; yet they make an excellent showing in all of the meets in which they participated. While playing together they reminded one of a polished machine so smooth and effortless was the teamwork that they displayed. If hustle and youth will win the District Title, then these wearers of the Purple and Gold should grab the title from their more seasoned rivals. Joe and Bill will return next year to carry on for the Broncos.

Lanelle Wight and Dorothy Fitch
Girls Doubles

Lanelle and Dorothy round out the well balanced team that performs on the lined courts for the Broncos this year. Both of these girls are able to cooperate with each other remarkably well. In fact when one watches them play he might think that they communicated with each other by mental telepathy. Both possess equal skill with either backhand or forehand, and either can stand up under all the pressure that can be applied. Lanelle and Dorothy have an excellent chance of winning in the District Meet.

Elliot Smith continued his fine job of coaching tennis at D.H.S. y again turning out a fine squad that swept all but one of the Class A vents in the County Meet. Being an excellent tennis player himself, "Smitty" tutored the D.H.S. netters in the finer intricate points of the ifficult game of tennis. "Smitty" possesses that hustle and manner that nake him popular with not only his tennis pupils but also with his upils in school and older people as well. With continued success in oaching tennis at D.H.S. Coach Smith should make it one of the nost popular of all sports at the school which is making a comeback long the sports trail.

COACH SMITH

Back Row—Coach Smith, Penry, Mays, Barns, Martin.
Front Row—McClendon, Fitch, Wight, Ashworth, Hibler.

. . . Tennis

Softball . . .

"Connie Mack"

James Coggins

Under the guidance of Mr. Gross softball has advanced a long way in the last few years at D.H.S. Every day, beginning at the opening of the second six weeks, the boys work out for an hour or more if the weather permits. They have numerous intrasquad games and several games with out of town opponents to prepare them for the County Meet.

There are two teams on which the boys that are eligible may participate. Those that are sixteen or under play on the Junior team, and those that are between sixteen and eighteen play on the senior team. Year in and year out we have managed to win our share of games and this year was no exception. Truly D.H.S. owes a lot to Mr. Gross for the splendid work he has done in the interest of the advancement of baseball at our school.

Lots of Luck,
— Joyce

Volley ball is the only major sport for girls in D.H.S. The coach of this team is Miss Coconougher, who devotes much of her time to the betterment of the players. In volley ball sportsmanship counts more than winning. This the girls have found out. Throughout the year the girls on the team enter numerous tournaments throughout the county in preparing for the County Meet in which they always make a good showing. With the few girls with which she has to work Miss Coconougher should be given credit for doing a fine job. This fact is proved by a record of the fine teams that she has turned out.

ATHLETIC REVIEW

At D.H.S. no particular sport is stressed more than another. However, this does not keep one or several sports from becoming outstanding in the athletic world at D.H.S. At the present time there are several sports that are just gaining headway. These are golf, swimming, and archery.

Perhaps the two leading sports at the campus on which the Bronco gridders are football and basketball. But they are being closely pushed by the rapidly spreading enthusiasm that tends to help track and tennis along. In another few years the Purple and Gold racquet wielders and trackmen will probably be known throughout the state. Following these two sports come softball and volleyball. Even though no jackets are offered as awards softball and volleyball are rapidly gaining their share of players and supporters.

Golf and swimming are two sports that are not in the athletic spotlight at the present. However, without a doubt it would add much to the sporting world at D.H.S. if something would be done to advance interest in both of these sports. At the present there are capable performers in both fields who can carry the Purple and Gold to even greater heights if they are given a chance.

Although they participated in none of the sports mentioned above I think that it is only fitting to express the appreciation of the athletes and the coaches to the yell leaders, the pep squad, and any and all of the students who so loyally attended all of the athletic events at D.H.S. in the past year. Beyond a shadow of a doubt there would have been no such success in sports at our school if it had not been for the people mentioned above who so loyally gave their support and enthusiasm to the best of their ability to help the Broncos roll on to greater conquests.

The 1941 Bronco Staff expresses sincere appreciation to our advertisers for without them this book would never have become a reality. Their interest in our book makes us know that the boys and girls of high school have loyal friends, and we urge that each of you patronize each of our advertisers as often as possible. The old proverb, "The only way to have a friend is to be one," holds true here; so be a friend to our friends.

Dear Ouilda: I
e line friend and
d know you will ever
ceed in what ever you do.
Love
Anna Belle

Dear Bill; From one who knows the different ways &
trands of life that are now charging fast from one thing to another
let me leave just one point & tis it "Dont ever go wrong" and you
can always be right as the days come & go. I hope that you can conquer
the goal that you have set for yourself, for many have failed, so try hard
Bill & you will have no regrets like many who have failed. Always be true to
your friends & above all play the game square.
Yours truly
Pvt. Bertis J. Clark

Dearest Ouilda: as I have known you all your sweet life
and I hope — as it has been almost a month since
I started this, now I'll finish. I just want to
to know I think very much of you and I hope
are successful in all your undertakings. We
are fond of you and think you are a pretty nice
Kid, just remain that way and be very careful.
As ever, your "Santa"
